

CHÂTEAU BARONNE TEDALDI

GRANDS VINS

DU LANGUEDOC

Château Baronne Tedaldi

Chemin de Laure - 2018

AOP Languedoc

Grape Varieties

70% Vermentino & 30% Muscat à petits grains.

Climate

Our vineyard lies on the boundary line of the mediterranean and the oceanic climates in the area of « Balcons de l'Aude », in the Minervois... with dry and hot Summer periods, a regular strong northeast wind and fresher nights.

Soil.....

Our soils are composed of clay and limestone slopes on sandstone. Minervois is a region of scrubland, Aleppo pines and oaks, expressing the fragrances of thyme, rosemary, lavender and cistus.

Wine Making

The harvest is done early in the morning at low temperature and is cooled down by addition of carbonic ice. Pressing and cold stabilization at 6°C.

Tasting Notes

A white wine with a light yellow color.
A nose marked by Muscat with notes of exotic fruits and lemon.
A mouth with a full attack on the palate, a lot of freshness and some notes of aromatic herbs.
Perfect at the apéritif, with Tapas or grilled fishes !

Degree : 13,5 % alc./vol
