

CHATEAU BARONNE TEDALDI

GRANDS VINS

DU LANGUEDOC

Particula

Chardonnay - 2018

IGP Pays d'Oc

Grape Varieties

100% Chardonnay

Climate

Our vineyard lies on the boundary line of the mediterranean and the oceanic climates in the area of « Balcons de l'Aude », in the Minervois... with dry and hot Summer periods, a regular strong northeast wind and fresher nights.

Soil.....

Our soils are composed of clay and limestone slopes on sandstone. Minervois is a region of scrubland, Aleppo pines and oaks, expressing the fragrances of thyme, rosemary, lavender and cistus.

Wine Making

The harvest is done early in the morning at low temperature and is cooled down by addition of carbonic ice. Pressing and cold stabilization at 6°C.

Tasting Notes

A white wine with a light yellow color.
A nose marked by notes of citrus and white flowers.
A fruity mouth with a lot of freshness and finesse.
Perfect at the apéritif, with shellfish and grilled fishes !

Degree : 13 % alc./vol
