

# CHÂTEAU BARONNE TEDALDI

GRANDS VINS

DU LANGUEDOC

## Château Baronne Tedaldi

Cuvée Saint Barth - 2018

AOP Minervois

### Grape Varieties .....

50% Cinsault & 50% Grenache.

### Climate .....

Our vineyard lies on the boundary line of the mediterranean and the oceanic climates in the area of « Balcons de l'Aude », in the Minervois... with dry and hot Summer periods, a regular strong northeast wind and fresher nights.

### Soil.....

Our soils are composed of clay and limestone slopes on sandstone. Minervois is a region of scrubland, Aleppo pines and oaks, expressing the fragrances of thyme, rosemary, lavender and cistus.

### Wine Making .....

Vinification and maturation are done separately for each plot and grape variety. Alcoholic fermentation under control (<18°C). Short fermentation around 10 days to preserve fruit and freshness.

### Tasting Notes .....

Rosé wine with a light pink color, elegant and refined. Delicate nose and mouth with notes of raspberry and strawberry, and with a pleasant mineral freshness. Perfect at the apéritif, or with shellfish grilled meat and fish !

**Degree :** 13,5 % alc./vol
